Repair of jewels in the Sri Srikanteswaraswamy temple at Nanjangud

From

The Deputy Comr, Mysore District.

No. 198 Dated 25-10-15 Received 26-10-15

Diary No. 682	Enclos. -	Spare Copies.	Serial No. 5

BRIEF ABSTRACT OF LETTER.

I With reference to para 3 of Gr. G.O. No. 2913-6/Mun 480-14-4 & 14-6-15 calling for suggestions as to the careful supervision of the work of repairs to the jewels of the temple in question, states that the repairs of silver jewels may be supervised by the Peshkar manager & Shroff of the temple, with due supervision by the Amildar & Sub. Dy. offr; that a special offr of the status of an Amildar may be deputed for 3 or 4 months for supervising the repairs of gold jewels, and that repairs of articles of precious stones, necessitate the presence of the Mysore Supdt.

NOTES AND ORDERS.

I In para 3 of Govt Progs No. 2913-6/Mun 480-14-4 & 14-6-15 sanctioning an estimate for Rs 2000/- for the repairs of the temple jewels, it was observed that the continuance of a special officer

indefinitely on the sole duty of supervising the repairs of the jewels was not desirable and that the local Sub. Dy. offr. and the other local officers should be able to supervise the work; and the Dy: Comr. was requested to report further as to what he would suggest so as to get the work done carefully —

2. The Dy: Comr's suggestions are as follow. The jewels are divided into 3 classes, viz., (1) Silver, (2) gold & (3) those set with precious stones

1). The Silver jewels are proposed to be repaired in the presence of the temple Peshkar, Manager & Shroff, with due supervision of the Amildar & Sub. Dy. offrs.

2). A special officer of the status of an Amildar is proposed to be deputed for a period of 3 or 4 months for the repairs of the gold jewels only.

3) As for repairs of jewels set with precious stones, the Dy: Comr. suggests that in view of the importance of the work, it may be done in the presence of the Ellugai Supdt., if he can spare time —

3 The Mugai Supdt. may, perhaps, be consulted in the matter.

As for the deputation of a special

officer indefinitely for the supervision of the repairs of the temple jewels, the idea was deprecated by Govt. The modification in the Dy: Comrs proposals in the matter is that instead of an Asstt Comr, he proposes the deputation of an officer of an Amildar's status and that not indefinitely but for a definite period of 3 or 4 months.

5. It is not stated what time the repairs of the jewels set with precious stones may take and it is probable that the Nunjan Supdt may not find it convenient, in view of his office work and the Secretariat Branch work, to be absent from Bangalore for a pretty long period.

6. Though the Dy: Comrs proposals may ensure the efficient repair of the jewels, the cost may, perhaps, be more than that to be incurred by the deputation of one single officer for the whole work.

7 Subd for orders. As to whether (the deputation of) a single
80 officer of the status of an Amildar

As according to the report now made, it will take 14 months for one goldsmith to get through the repairs of jewels of gold & those set with precious stones, it is a point for consideration and orders whether it would not be more economical both in point of money and time to employ more men and get the work done sooner under the supervision of an officer specially deputed for the purpose. Adverting to Government Proceedings
no: 2913-6/Misc: 480-14-4 dated 14th June 1915
sanctioning the expenditure of Rs: 2000/- for the
repairs of jewels of the temple of Srikanteshwara
Swami at Nanjangud and calling for Sugges-
tions as to the careful supervision of the work,
I have the honor to state that the following
classes of jewels are to be repaired in the temple
namely, Silver jewels, gold jewels, and those
set with precious stones. The Sub Division
Officer, Nanjangud, whom I consulted in the

matter is of opinion that the repairs of the Silver jewels may be supervised by the Peshkar, manager and shroff of the temple with due supervision by the Amildar and Sub Division officer, that the repairs of Gold jewels require the supervision of an office of the standing of an Amildar and as these repairs take up nearly 3 or 4 months to complete that an officer be deputed for this supervision solely, while the repairs of articles of precious stones necessitate in view of the importance of the work, the presence of the Mamlatdar Superintendent, if he can spare time for the same. It is also suggested that the Peshkar may be put on special duty in connection with the repairs of Silver jewels and the Agnik may be put in his place temporarily with an allowance of Rs 5/- per mensem. The Dharmadarsis of the Temple are also of the same opinion as the Amildar but they say in a voice that these works should be arranged to be executed in the presence of some responsible officer.

The Peshkar reports that if the services of two Palace Goldsmiths are engaged for a period of six months temporarily, the work may be completed.

Even the Sub Division Officer, thinks that none but the Palace Gold-smiths should be ~~engaged~~ employed for repairing the jewels in question.
